

KISS THEATRE COMPANY Summer Intensive Registration

KISS Theatre Company is proud to present a two-week summer intensive called "Beyond The Stage" to accommodate the growing interest in theatre beyond musical and stage performance, including, but not limited to design, direction, and management. This program is open to students 7th - 12th grade only.

Children enrolled in this two-week summer intensive will have the option to choose a focus in three areas of theatre: Acting/Directing Focus, Technical Theatre Focus, or Full Production Focus. The first week will feature master classes from professionals in the field, and hands on experience, learning by assisting on an actual KISS Theatre main stage production. The second week will allow participants to focus on the culmination project, which will be an evening of One Act Performances, produced, designed, and performed by all of the students involved, on Friday, July 20th, at 6 PM.
